

"In-Depth Machine Learning Tools"

1) Learn Python ✓

2) Foundational Machine Learning Skills

Take CS229 or CS221! Or just read the course notes =)

3) Learn the Python Libraries

`numpy / scipy / matplotlib / pandas`

`scikit-learn / tensorflow / keras / pytorch`

Check out CME 193 and CS 20SI at Stanford!

"Machine Learning and Data Science"
