

deff

Print the first Fibonacci numbers.

$a,$

b

$=$

$0,$

1

for in

print

$$a, b = b, a + b$$

Fibonacci Sequence

```
def fib(n):  
    """Prints the first n Fibonacci numbers."""  
    a, b = 0, 1  
    for i in range(n):  
        print(i, a)  
        a, b = b, a + b
```
